

# T SHEETS

## Simple, powerful, mobile employee time tracking. Now powered by QuickBooks!

TSheets is everything you and your clients need in a time tracking solution. Easily track time anywhere on any device to streamline payroll, send accurate invoices, and save thousands on gross payroll and labor costs each year.

### Benefits to the business

**Save thousands on payroll costs each year.** TSheets keeps a company's biggest line item (labor) in check. TSheets clients lower their payroll costs, on average, by 6%\*.

**TSheets works wherever your clients do.** Easily manage a mobile workforce with the TSheets mobile app – complete with GPS location tracking.

**Seamless integrations with QuickBooks Online.** Running payroll and generating accurate invoices is as easy as just one click. Timesheets automatically flow to QBO, where they are ready for review and approval.

**See who's working in real time.** See where employees are, and what they're working on at a glance with the Who's Working window.

**Gain valuable business insight.** Real-time, interactive reports help you anticipate job costs, plan for payroll, and increase profitability.

**Comply with FLSA regulations.** Curb unnecessary (and expensive) overtime with custom notifications and alerts.

**Five-star customer support, anytime you need it.** TSheets' award-winning support team is guaranteed to make you smile.

### Benefits to the accountant

**No more manual data entry.** TSheets is the only time tracker that works directly inside QuickBooks Online. Time tracked in TSheets can be reviewed, edited and approved in QBO, then run payroll with just one click!

**Never turn away another payroll client.** Shave hours off your payroll processing time and take on more clients. TSheets makes every payroll run three hours faster, on average.\*

**Bill more and get paid faster.** Track time with TSheets and get paid for every second worked! On average, businesses using TSheets increase billable time by 11%\*.

**Be the trusted advisor.** Recommend a way for your clients to track accurate employee time, improve efficiency and save money.

**Free program for accounting professionals.** Join the TSheetsPRO Program to use TSheets for free. Refer clients and get a wholesale discount or earn commission.

\*Based on a survey of 924 businesses that use TSheets for invoicing and report billing more, or for payroll and report savings. On average they report adding 11% more billable time to their invoices, reducing the time it takes to run payroll by 3 hours, and reducing gross payroll costs by 6%. Internal survey conducted by TSheets in January 2018.
